

The indoor version of SAIGON is here! SAIGON is a pendant light designed by Nahtrang available in different colours. This luminary has an original shade made with ribbons, creating an optical illusion of compact shade. SAIGON IN is perfect for home lighting and hotel halls. Made in Europe. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.
